WE'RE JUST GETTING STARTED

# PASTOR'S LETTER

## Pursuit Family,

In celebration of 10 years as a local church I have done a lot of reflecting on the last decade of ministry. There have been so many incredible moments, funny stories, miracles, and countless lives transformed by God. While I marvel at what God has done in our church the past decade, I truly believe that we are just getting started! I cannot wait for what God has in store as we build upon the foundation of the last 10 years of ministry.

In this booklet you will see some exciting opportunities for God to expand the ministry of The Pursuit Church as we seek to **lead North Dakota into a growing relationship with Jesus**. Look at the projects, ask questions, and dream with us about the potential ways God is going to move through them.

We are just getting started and would love for you to be a part of it!

Tom Foisy, Lead Pastor

# Through the Years

## THE BEGINNING

2013 •

2014-2017 •

The Pursuit Church held its first services on October 13, 2013, in an old strip club in downtown Minot. Over 100 people showed up that first day to hear about the freedom that is found in Jesus Christ.

The Pursuit outgrew the old strip club and made the decision to become a mobile church to accommodate the rapid growth. As we met in many different venues throughout the city of Minot, we hoped to secure a stable meeting place in the future.

## • PLANTING

2018•

2019•

2021

In 2018, The Pursuit purchased and renovated the Harley Davidson building as its first fixed location. That same year The Pursuit planted its first campus in Stanley.

In 2019, during the annual Grow ND sermon series, Pastor Tom laid out a vision to plant more campuses across North Dakota.

In 2021, the former Cash Wise grocery store building in Stanley was purchased as the future Stanley campus location.

## • GROWING

2022

2023
